NEW ICE PLANT TO BEGIN OPERATIONS EARLY NEXT WEEK

Structure Completed and Equipment Installed at Belle Glade

TO ICE VEGETABLES Will Have Definite Place in Ice Manufacturing of District

Construction and installation of machinery having been virtually completed last week and this week given over largely to operating adjustments the new ice plant of the Florida Power & Light company north of the depot in Belle Glade was expected to be in operation by the middle of next week. Work was started on the plant Sept. 22, 1933, and the plant, brought to completion under the direction of J. L. Egan, construction superintendent.

Construction of the plant evidences the Florida Power & Light company's confidence in the future of the trucking industry in the Everglades sections and the current methods of refrigeration which have delayed more refrigeration experiments. The payroll exceeded \$150 a day during the course of construction.

The new plant, in many respects is practically a duplication of the company's plant at Okeechobee, except that it is larger, will serve the Everglades section of Palm Beach county and is intended for vegetable icing exclusively. The new plant will provide for toploading cars, the Okeechobee plant supplies ice for bumper icing and the Pahokee plant domestic ice and winter for top icing.

Handling Eliminated

In continuing the new plant the utility company will eliminate the hauling of hundreds of tons of ice a month from West Palm Beach. It has been the practice to haul from fifty to a hundred tons a day from West Palm Beach to all the needs which will now be supplied by the new plant on the ground.

The building of the plant is 120 feet long by 12 feet wide. It is constructed on concrete on a raised piling foundation while the superstructure is of frame with asbestos-covered corrugated iron siding and roof.

The storage room is 30 by 50 feet and the tank has a capacity of 100 tons. With certain refinements developed by the company's engineers the plant is stepped up to a capacity of about 100 tons per day. The compressor capacity at present is about 80 tons.

Water for cooling the refrigerator is taken from shallow wells on the property and water for the ice making is taken from the Hillsboro canal half a mile from the plant. The canal water is treated, softened and filtered at the plant. Forty-eight-inch wells will be drilled for cooling water with two similar wells in reserve. None of the ice manufactured will be used for domestic purposes. The plant is 100 per cent electrically operated.

County Schools Will Receive \$9,638 From State for December

Palm Beach county will receive \$9,638.44 as the state's contribution to December school operating costs, according to State Superintendent Cawthon's appointment of the \$13,378.61 available for that purpose. Of this sum \$211,330.00 was derived from the sale of automobile license tags; beer and wine taxes raised \$17,974.02; the one-mill school tax brought in \$29,406.67; and interest on school fund deposits accounted for \$140,417.78.

RICHMOND STATE FISHING BOAT

Move Pleading to People of Belle Glade and Vicinity

Residents of Belle Glade this week stated with the announcement that the Richmond State fishing boat, A. R. Richardson has been named superintendent of state farm No. 2 north of the city. Richardson is expected to arrive back from Tallahassee today. Capt. W. E. Williams, in charge of the boat, will be relieved of all responsibilities at the farm and no longer be connected with the institution, according to the announcement from the state cabinet Wednesday.

In the change at the farm, a victory for those who have been working hard at Belle Glade and throughout the section to keep the state farm affairs out of politics. The Belle Glade Chamber of Commerce and the residents of the section are the content of an editorial appearing in the Herald.

The change at the farm is a political standpoint, which appears elsewhere in this issue.

Joe Friedman, president of the Chamber of Commerce, declared Wednesday that "We are glad the change at the farm is a political standpoint, which appears elsewhere in this issue."

Members of the Pahokee Rotary club enjoyed a round table supper of resolutions, new and old, at their regular noon luncheon yesterday at the American Legion pavilion. New Year resolutions were made, and a year of happy memories favorable and otherwise.

President Joe Tolle pointed out his desire of living to the year of Rotary through the ensuing year, while a number of the members of the club held their attendance up to one hundred per cent, several having made a similar resolution last year and stayed with it.

John Fourny reported favorably on his trip to the state capital, his report being followed by discussion in connection therewith. Secretary W. E. Tolle, secretary of the club, reported that the meeting for that week will be held at 8:15 in the evening instead of the regular time and date.

A vote of thanks was given Mrs. A. R. Kelly who has been serving the luncheon for the club and who will be succeeded by Mrs. Key. Visitors at the luncheon were Carmen Salvo, member of the school board, J. L. Carter of West Palm Beach and G. R. Patten of Canal Point.

Alleged Negro Slayer of John Vince Caught on Last Friday Night

Willie Raxson, 32-year-old negro, charged with the ice pick slaying of John Vince, a white man, and a white woman, was captured on last Friday night by Sheriff J. T. Lawrence. Raxson was arrested at the home of his mother, Mrs. Raxson, in the town of Belle Glade. Raxson was charged with the slaying of John Vince, a white man, and a white woman, who were killed in a fight at the home of Raxson's mother. Raxson was captured on last Friday night by Sheriff J. T. Canal Point Postal Business Increased During Yule Season

Business during the pre-holiday season was definitely on the up and up at the Canal Point post office. Postmaster Harold Rosenberg said this week. The volume of business going from the post office during the Yule season this year was the largest of any of the last four years, he said.

BUSINESS MEN AT BELLE GLADE FORM NEW ORGANIZATION

Civic Body to Promote Projects Beneficial to City

Organization of a Belle Glade Retail Merchants' association for the promotion of the best interests of Belle Glade and the Everglades section in general was effected at a meeting of business men in the city hall at Belle Glade Tuesday night. Officers were elected and tentative plans for promoting projects for the benefit of Belle Glade were outlined.

Leo Rader was elected president of the association; Ben Halperin, vice president; and W. Scarborough, secretary-treasurer. Fifteen business men affiliated with the new organization as members and plans were laid to carry on a membership drive for the securing of as many active members as possible.

Another meeting has been called for 8:30 o'clock next Tuesday night at the city hall and all business men of the city are cordially invited to attend. It was said this week that the association will probably be expanded to accept both business and professional men as members of the organization.

One of the best objectives of the organization, President Rader said yesterday, will be the securing of the paving of the loop around the Main street, the highway section and Avenue E. A resolution is being drawn to present to the city authorities asking for this project. It is hoped that through the organization more CWA projects may be secured for Belle Glade.

Record-Breaking Crowd Attends Legion Dance

Record-breaking, orderly and congenial was the crowd which literally flooded the American Legion pavilion at the sunrise dance sponsored by Everglades Post No. 90 New Year's eve night. The occasion, the first public affair to be staged at the pavilion since its reconstruction following the Labor Day storm damage, was a great success. Plans of the legionnaires are to hold a couple of dances a month through the season the projects of which will be used for the beautification of the grounds and arrangement of them as a playground or recreation ground.

FISHERMAN VICTIM OF GUN ACCIDENT

Wiley Baxter Killed Sunday Afternoon on Fishing Boat

According to the findings of a coroner's jury impaneled by Judge of the Peace G. A. Hubbell yesterday, Wiley Baxter, aged 45, and well known throughout the Glades section "accidentally" came to death by a gunshot wound of the chest while on a fishing boat owned by Capt. J. S. Gray. A charge of shot from a shotgun passed through his stomach.

Funeral services for Wiley Baxter were held at 11 o'clock Tuesday morning at Fort Lauderdale near LaBelle with Rev. L. B. Halperin officiating. Burial was under the direction of the Everglades Funeral Home of Pahokee.

Baxter, a brother, Clayton Baxter, who until last Saturday made his home in Pahokee, the victim in the accident, was on the boat when he was killed in Tampa and the other in the Pahokee vicinity. Clayton Baxter moved from Pahokee to LaBelle last Saturday.

After having viewed the scene of the accident on the boat, Runyon, justice Hubbell and the coroner's jury completed the inquest at the Belle Glade city hall. The coroner's jury were: J. H. Boland and Ralph Robinson, both fishermen.

Other members of the jury were: G. Stang, C. A. Keener, J. C. Berry, H. B. Elliott, C. B. Evans and W. J. Burger.

ARMY FORCE SUCCEEDS IN LANDING AS SHIFF

Takes Over Duties First of Week After Willson Resigns

Acceptance of the resignation of Sheriff Jack S. Willson of this county and appointment of Hiram Lawrence as his successor was announced by Governor Shotts last night. The resignation of Sheriff Willson was accepted "with regrets" the governor said. He was appointed to office March 22 of last year following the death of Sheriff Bob Baker.

Sheriff Lawrence is a well known law enforcement officer, having served for many years as a deputy under Sheriff Baker. He took over the duties of the sheriff's office on last night. Lawrence announced that he had completed his staff of assistants for the new year. His assistants are: J. T. Lawrence, and J. E. Harwick are assisting him as office deputies and George H. Rines, Jr., has been named as deputy sheriff on special duty. J. T. Lawrence's service will be temporary, the sheriff said, as he is making other business connections.

Miss Rose Hindbick has returned to the sheriff's office as secretary-stenographer, succeeding Mrs. Irene Smith, who resigned along with Chief Deputy F. H. Packwood and Deputies H. E. Packwood, Sidney Long and D. D. Ford, who were serving under Sheriff Jack Willson.

It was announced that he would act as his own chief deputy for the present.

HOOP TEAM PLAYS WEST PALM BEACH

First Game of Season For Pahokee Hoops Team This Evening

Cochran Frank Hobson will take his Pahokee high school basketball squad to West Palm Beach tonight for the first game of the season with the West Palm Beach high school. With but a few practices behind them in preparation for the season, the Pahokee Hoops team are not anticipating a victory against the east coast team, but to hope to be a favorite underdog in the opening contest. The game tonight will be called at 8 o'clock at the West Palm Beach school.

The Pahokee basketballers received their first real workout of the season Wednesday night when they clashed with an alumni club and were rather deeply buried under a large score. Prospects, however, for a good team are considered good by Coach Hobson as the boys had thus far had no practice that merely early season form has been attained.

The season opening game is scheduled for Friday night of next week with Jupiter scheduled to be the opponent.

There are fourteen men out for the team, all of whom were given the opportunity to show their wares in the alumni contest.

Thieves broke the lock on a gasoline pump at the City Service station at T. T. Farrow on the Pahokee-Canal Point road last Friday night and stole an undetermined amount of gasoline. It was the first robbery of the season in the town. This week no trace as to the identity of the thieves has been found.

WORK OF PILING BEGINS AT SCHOOL BUILDINGS

Final Selection of CWA Projects of This Section Announced

Work on the construction of the new school house at Canal Point has been held up for a week or ten days because of lack of piling to commence the construction activities. V. F. McClain, area manager of CWA work, stated Thursday, Mr. McClain said the piling is expected to arrive for the job within that period. All preliminary preparations have been completed for the starting of work on the project and forces will begin immediately following arrival of the piling.

Work on the junior high addition to the Pahokee high school is also being held up for the same reason. A force of 200 men will be taken out to Big Man's east of Canal Point next week to start excavations on that mound. This is a federal CWA project and not included in the list of local CWA projects. James Turner, county CWA administrator, this week announced that the deposit insurance fund had been accepted. The telegram was as follows:

"Membership in the temporary Federal Deposit Insurance fund approved. Certificate of membership received by the cashier on Wednesday."

Under the provisions of the law, both checking and savings deposits in banks which have been accepted for membership will be guaranteed by the federal government up to the amount of \$25,000.

WORK IS TO START ON ROAD PROJECTS

Cut-Out Will Be Surfaced and Work Done At Belle Glade

Several county road projects have been scheduled to start this week as the result of the receipt of word by County Commissioner Doyle Egan of state approval. Work has also been received by Commissioner Crocker of the approval of the \$11,000 project of the rebuilding of bridges in the fifth commissioner's district.

The trucks were ordered by Commissioner Crocker planned to start work the middle of this week on the hard surfacing of two roads at Canal Point, one between the lake road and the state road, and the other between the lake road and the state road. The work will be carried on under the supervision of the county.

Two Negroes Drowned Tuesday Morning When Car Goes into Canal

Two negroes of a party of four driving through darkness and fog about six o'clock Tuesday morning were drowned when their car went out and their car careened into the canal paralleling the Belle Glade-Pahokee highway about a mile north of Belle Glade near the farm of George H. Rawls. The two negroes drowned were Luther Lee and a companion named Willie Moore. The other two occupants of the car and died from the crash. The car was a 1932 Ford.

The accident was investigated by Justice of the Peace G. A. Hubbell and resulted in the death of two victims of the accident caused by their death through accidental drowning as the result of the car crashing into the canal.

Luther Lee's mother sent for his body to be taken to the home of a West Palm Beach funeral establishment took the body of George.

Bean Shipments Last Four Months Far More Than '28-'29 Season

Approximately two and one-half times as many cars of beans had rolled out of the State of Florida since the start of the season through Dec. 30 of the year just closed since fall shipments started as rolled out of the state during the entire season of 1929, according to comparative figures. On February 14, 1929, the total movement of beans out of the state since the previous first of September was 1,162 cars. The movement during the four months ending since the first of September, 1933, through Dec. 30, 1933, totalled 2,776 cars.

BANK OF PAHOKEE HAS EDIC CHARTER

Approved as Member of Federal Deposit Insurance Corporation

E. G. Kilpatrick, cashier of the Bank of Pahokee, Monday received a telegram from Walter J. Cummings, chairman of the Federal Deposit Insurance Corporation, stating that the Bank of Pahokee's application for participation in the deposit insurance fund had been accepted. The telegram was as follows:

"Membership in the temporary Federal Deposit Insurance fund approved. Certificate of membership received by the cashier on Wednesday."

Under the provisions of the law, both checking and savings deposits in banks which have been accepted for membership will be guaranteed by the federal government up to the amount of \$25,000.

The \$25,000 guarantee is the maximum under the Banking Act for a six months period, which means the coming season of 1934-35.

Deposits will be guaranteed 100 per cent to \$10,000, 75 per cent for amounts in excess of \$10,000, up to \$50,000, and 50 per cent of the amount in excess of \$50,000. Regulations provide that separate accounts in a bank such as a checking account and a savings account will be treated as one account rather than two accounts and the guarantee limit will be applied against the total.

PROGRESS MADE ON WINNER'S HIGHWAY

Rock Now Laid on Eight-Mile Strip South of Okeechobee

Work on the re-surfacing and widening of Conner's highway south of Okeechobee to Canal Point is progressing at a favorable rate with rock now laid for a distance of about eight miles along the highway south of Okeechobee and for a short distance from Chancery Bay-north bridge work is proceeding ahead of the laying of rock and with the exception of the bridge work, the highway is open to motor vehicle traffic. When the highway is completed, the road will be about 18 miles long from state road No. 85, the Pahokee-Canal Point road, to the north of Belle Glade near the farm of George H. Rawls. The two negroes drowned were Luther Lee and a companion named Willie Moore. The other two occupants of the car and died from the crash. The car was a 1932 Ford.

The accident was investigated by Justice of the Peace G. A. Hubbell and resulted in the death of two victims of the accident caused by their death through accidental drowning as the result of the car crashing into the canal.
